

# CONTENDER® ENCLOSED TOP MOUNT PUMP PANEL

Fire isn't the only enemy. So are the elements. Extreme heat and cold can take their toll. Fight back with the air-conditioner unit and auxiliary heater found on the Contender® enclosed top mount pump panel apparatus. It's the logical solution to keep you out of the elements and safer at the scene.

Plus, the Contender enclosed top mount pump panel is built on one of the most proven custom chassis on the market, giving you more space, better ride quality and improved maneuverability. And, because it's a Contender® by Pierce, you already know no compromises were made.

# IN THE HEAT OR COLD

## THE CONTENDER® ENCLOSED TOP MOUNT PUMP PANEL HAS YOU COVERED

With all Contender products, you have access to a nationwide network of Pierce sales and service organizations. That support network backs every Contender with parts availability, technical assistance and training from a team regarded as the best in the industry. Because Contender is dedicated to the fire and rescue service, you can expect 24-hour, 7-days-a-week support.
